

9-1 Take Home Test due: 4/30/10 B. Kamen Name: \_\_\_\_\_

Bad news. Your ratings are way down. Your show will be cancelled in June unless you come up with a blockbuster. Here's your assignment. God is being charged with murder. Two people, aq and Edia, the sons of ofxd, were found dead. The evidence is scanty. There seems to be a cover-up going on. No one seems to know why they died, where they died, why, and who is responsible. There are several witnesses, but their testimony is spotty. You need to come up with the truth. There a many witnesses who are willing to testify. You must interview at least four of them. Find out from the witnesses where they think they died and why. Then give your understanding.
